Report on

World Investor Awareness Week Program at HVPM COET Amravati

Objective: The objective of Investor Awareness Week is to educate and empower investors with essential knowledge and tools to make informed financial decisions. This initiative aims to promote financial literacy, raise awareness about investment risks and opportunities, and encourage responsible investing practices. Through various activities and resources, the week seeks to foster a well-informed investing community that can navigate the financial landscape with confidence.

Date: 14th Oct 2024

No. of Participants: 41 MBA Students

Theme of the Program: Investment Basics & Depository System

Association with : CDSL Mumbai

Venue : MBA Ist Year Classroom

Trainer : Prof. Dr. Atul E. Kharad

Outcome : An Investor Awareness Program for students boosts financial literacy by teaching key investment concepts, risks, and instruments like stocks and bonds. It fosters informed decision-making, critical thinking, and an understanding of regulatory frameworks. By equipping students with practical financial skills and promoting responsible investing habits, the program prepares them to navigate the financial landscape confidently as they transition into adulthood.

Program Co-Ordinator

Prof. Dr. Atul Kharad
