

INVITATION TO PROF. SARVESH RATHI AS EXPERT JUDGE

Event: Smart Hackathon Competition – 2024

Organizer: Sant Gadge Baba Amravati University (SGBAU) and SGBAU Research and Incubation Foundation

Event Date: 12 December 2024

Venue: SGBAU Research and Incubation Foundation

1. Introduction

Sant Gadge Baba Amravati University, along with its Research and Incubation Foundation, has officially invited Prof. Sarvesh Rathi from the Department of MBA at HVPM to serve as an expert judge at the upcoming Smart Hackathon Competition - 2024. The event aims to provide a platform for innovators, entrepreneurs, and technology enthusiasts to showcase their creative projects and solutions.

2. Purpose of the Event

The Smart Hackathon Competition - 2024 focuses on diverse fields that address real-world challenges and promote innovation. Specific areas encouraged include:

1. Artificial Intelligence (AI)
2. Health Technology
3. Agriculture Technology (AgriTech)

4. Safety & Security

5. Biotechnology

6. Social Welfare

The event encourages participants to develop innovative, feasible, and impactful technological solutions that can have a positive societal effect.

3. Role and Responsibilities of Prof. Sarvesh Rathi

Prof. Sarvesh Rathi's role as an expert judge encompasses several key responsibilities to ensure the success of the event and the credibility of judgments:

Evaluation:

Assess projects on three core criteria:

1. Innovation — originality and novelty of the idea
2. Feasibility — practical implementation and viability
3. Societal Impact — potential benefits and improvements to society

Feedback Provision:

Provide constructive and insightful feedback to participating teams, helping them refine and improve their innovations, both during and after the event.

Collaboration:

Work alongside other judges and mentors to deliberate and select the most outstanding teams who demonstrate excellence in their project presentations, deserving the rewards.

4. Event Schedule

Date: 12 December 2024

Venue: SGBAU Research and Incubation Foundation

Time - 10:30 AM – Briefing session on the evaluation sheet, which will outline the criteria and scoring methodology.

11:00 AM onward – Project exhibitions start with judging and evaluation by the panel of expert judges.

5. Significance and Impact -

1. The Smart Hackathon Competition is a flagship initiative, aiming to inspire and foster innovation among students and professionals.
2. Empowers the next generation of technology leaders and entrepreneurs by giving them a respected and competitive platform.
3. Encourages cross-disciplinary collaboration, enhancing technological advances in critical sectors impacting humanity.
4. Provides an opportunity for judges like Prof. Rathie to influence innovation trends and contribute to the academic and entrepreneurial ecosystem.

6. Closing Remarks :

The invitation reflects high regard for Prof. Sarvesh Rathie's expertise and acknowledges the valuable contributions he can make to this notable event. His participation as an expert judge is anticipated to substantially enrich the judging process and support the event's overarching mission to nurture innovation.
