

# Department Of Mechanical Engineering

## Organizes Course on Rapid Prototyping & 3D Printing Machine

We are excited to provide the ADD ON course that helps you to master new skills in Modern Manufacturing Technology

**Eligibility :** Knowledge of any CAD software

**Class start From :** 1 July 2026

**Duration :** 36 hrs. (18 days)

**Register :** On or before 29 June 2026

**For registration visit** [www.hvpmcoet.in](http://www.hvpmcoet.in)

**Registration Fee :** Rs.200/- only

**Note:** Only for Final Year Students

### Course Content :

- Rapid Prototyping
- 3D Printing Softwares
- Hands on training on 3D printing Machine
- Two mini project

**Course Co-ordinator :** Prof S.V.Nimkarde

**Contact :** 9423261975
