6.2 Does the Institution has a management Information System

No

6.3 Quality improvement strategies adopted by the institution for each of the following:

6.3.1 Curriculum Development

Yes, the Process of Curriculum Development is as:

**Needs assessment:**

- Feedback from recruiter/report of industry association NASCOM, FICCI etc.
- about low employability of graduate Engineering
- Assessment of the gap between Industry expectation and University curriculum
- by conducting survey, through Industry visit by HODs and TPO at
- International/National /State and university level
- To bridge up gap of Core Technical Area (CTA) & other employability attributes

**Design & Development of the course**

- Developed course contents in consultation with Industry for the identified core areas of Software Testing, Remote Infrastructure Monitoring & Management (RIMM), Information Security, Software development, VLSI, Embedded System & IOT, Automation Designing & Drafting
- Validation of course contents from other related Industry
- Development of course contents and its implementation for other employability
- attributes like Communication skill, soft skill and aptitude

**Course Planning**

- Planning of implementation of courses design with the help of interested college
- faculty, resource person from industry and professional trainers
- Assessment of trainees by internship, mock placement tests

6.3.2 Teaching and Learning

- Fulfillment statutory regulatory norms and regulation regarding infrastructure.
- Fulfillment requirement of additional infrastructure as per university curriculum and syllabus.
- Provided advance ICT infrastructure.
- Provided amenities infrastructure.
